With one step at a time, we would be your most trusted partner as we HELP you navigate the pathways towards Home Ownership.

FEATURES:

- 100% Credibility of Land Title
- Low mortgage interest rates
- Flexible Payment options
- Mortgage Repayment Assistance
- Construction Quality Guaranteed
- Home Construction Insurance
- Membership to the NAHS' Green Energy Club
- SUSTAINABILITY COMPLAINT - IFC World Bank - EDGE Certified Building Plans

PROCEDURE:

1. Buy a fully registered land, free of litigation from any of our fast developing Estate communities.
2. Complete payment for the land either by outright or installment options according to the defined payment plans.
3. Apply for the NAHS Mortgage Assistance program.
4. Your application would be assessed and you would be invited to meet with our Property Advisors to discuss your unique offer.
5. An offer would be made to you, tailored to your unique requirements.
6. Once you accept the Offer, we would begin the Step-by-Step Construction of Your Dream House.
7. Sit back and watch us construct your dream! Our commitment is to deliver the keys to your dream house within the agreed timeline.
